Department of the Interior,

PENSION OFFICE,

Washington, D. C., Dec 19, 1878.

Sir:

In the claim of Mary A. Rose for a Pension under act of March 9, 1878, No. 26,275 proof of her marriage to the soldier is required. You are informed that proof upon this point is of value in the following order:

1. A certified copy of the town, county, or other public record, or the sworn copy of a church record.

2. An affidavit of the officiating clergyman or magistrate.

3. The testimony of two or more eye-witnesses of the ceremony.

4. Affidavits of children whose ages would show the date of marriage or commencement of cohabitation.

5. A copy of family record, sworn to by custodian, certified by the magistrate to be correct, and that the original appears to be genuine. When this class of evidence is furnished it must be shown by whom and when the record was made, and the date of the Bible, or other book, in which the record is made, must be given, and it should be corroborated by other evidence of at least as high order as the 6th class.

6. The testimony of two or more witnesses who know the parties to have lived together as husband and wife from the date of their alleged marriage, the witnesses stating the period during which they knew them thus to cohabit.

Witnesses under the 2d, 3d, 4th, and 6th classes of testimony must state the circumstances or cotemporaneous events by which they are enabled to fix the date of the marriage, and the witnesses should state their ages at the time they testify.

Before any of the lower classes of evidence can be accepted, it must be shown by competent testimony that none higher can be obtained

If the claim is for service pension under the act of February 14, 1871, marriage must be proved at a date prior to February 17, 1815.

If the claim is for service pension under either the act of February 14, 1871, or March 9, 1878, proof will be required to show whether the claimant has again married since the death of the soldier on whose services the claim is made.

The fact and date of death of soldier must be proved.

The credibility of all witnesses must be certified to by the magistrate before whom their testimony is executed, and the magistrate and all witnesses must state whether they have any interest in the claim.
