John's birthplace may have been Brunswick County, NC. His father Berryman owned land in NC and SC. However, Berryman is listed in the 1790 census of Horry County, SC.

24 November, 1834 (Columbus County) - John Watts deed of gift to sons Everet Watts and Levi Watts. To Everet, 400 acres of land joining the province line, farm animals and furniture. To Levi, 250 acres of land, West side of Hugins Creek, animals and furniture. Witnesses: Philip Strickland and Philip Watts. Recorded 2 August, 1849 SC Horry District Book L, page 403.

Children of JOHN WATTS and NANCY WRIGHT are:

- i. MARY³ WATTS, b. Abt. 1814.

Notes for MARY WATTS:

Mary is on the 1850 census record with John Watts. Since we know Nancy Wright was his wife, Mary may be a 2nd wife. However, I seriously doubt this since the last children (twins) were born in 1838. A new wife this young would have likely had children continuously and there are no children under 10 in the 1850 record.
