

Corrections and additions needed to be made to master list of land grants.

Betsy Pittman, 8 Jan 2004

Remove "0" prefixes from all issued land grant numbers on list.

Add all 162 missing numbers and names to list (beginning with 43 Dobson, Joseph, Sr.).

Brice, Collins (2699, 2700, 3727) – change to Collins, Brice (Collins is surname).

Caltron, Ambrose – change to Carlton, Ambrose (2501).

McDowell, Hamah (288) – change to McDowell, Hannah, Margaret and Mary.

Swink, John (2762) – delete. Swink research proves this to be John Smith (who is listed with this grant). I mentioned this to Derick earlier, and it may have already been taken care of.

638 – Grumlee, Samuel – delete from list.

638 – Alexander, James – add to list.

836 – Grumlee – change to Greenlee.

3671 – Delete Walton; should be Bradley, John & Ledbetter, Walter

935 – Luke, George - change to Cuke, George (Cook)

1037 – Luke, Adam – change to Cuke, Adam (Cook)

3825 – Peutt, Wm. – change to Puett, Wm.

145 – Brown, Samuel – delete from list

145 – Hodge, Robert – add to list.
