

THE QUARTERIAN

to say that I have enjoyed
years here at Swangwater
you know & have. Since you
been on your driver's license we have
I have had lots of fun going around
with you especially on Saturday
nights and Sunday we went to the lodge & had
a good time until the next day
such a good time we went so
well our legs & back were so sore
you & I guess we won't Fairfield next
year. I wish you & Patricia all the
fun & happiness in the world because I
know how it is to have some one
come in and take your God bless you in
from you. may you attempt you in
everything you attempt.

Your Cousin
Bob

truthfully say that I have enjoyed
years with you. When you get old and
to school. Remember the good
back over the years. I hope all of us can
we had at P. O. C. I wish you all the luck in the
year. I wish you all the luck in the
field as a preacher.

CLASS HISTORY

In September 1952, the state consolidated the Swan Quarter, Sladesville, and Fairfield High Schools at Swan Quarter. Entering high school were thirty-four Freshmen--seven from Sladesville, nine from Fairfield, and eighteen from Swan Quarter.

Freshmen high lights included the State Fair, initiation in FHA and FFA, and class trip to Morehead City, North Carolina. Athletics, also, took on a new meaning for the Freshmen. Mary Louise Gibbs and Anna Mae Harris played on the girls' team, while Buddy Wheeler, Glenn Cutrell, Wayne Berry, Z. B. Midyette, Billy Joe Cutrell and Jimmy Brickhouse started on the boys' team.

The Freshmen lost four members: Dorothy Ange who is now Mrs. Ralph Williams, Victor Jennette, Royce Gibbs, Bobby Ray Sanderson, and Tim Berry. Class officers were: Roger Allen Spencer, Treasurer; Elizabeth Sparrow, President; Polly Berry, Secretary; Wayne Berry, Reporter. Z. B. Midgette honored the Freshmen Class by being chosen Carnival King.

When school reopened in September, 1953, the "Greenhands" became the silly but yet confident Sophomores. Thirty eager students were now ready to really "acquaint" themselves with the school and teachers.

Important activities and people were gaining prominence during the Sophomore year. Polly Berry became a cheerleader, eleven new Beta Club members included: Frankie Baynor, Sybil Swindell, Billy Joe Cutrell, Polly Berry, Dale Sadler, Evalena Gray, Elizabeth Sparrow, Gracie Carawan, Claudia Carawan, Dorothy Gibbs, and Roger Allen Spencer. The Sophomores were hosts to the Seniors at a party, and Alice Cuthrell, Anna Mae Harris, Ruth O'Neal, and Dorothy Gibbs served as waitresses at the Junior-Senior Banquet at Mattamuskeet Lodge. The Sophomores attended the State Fair and the Carolina-Maryland football game at UNC. They also had the pleasure of studying in the new classrooms.

In athletics, a baseball team was formed which included: Buddy Wheeler, Donald Credle, Z. B. Midyette, Leslie Simmons, Nelson Watson, Billy Joe Cutrell, Glenn Cutrell, Roger Spencer, and Ed. Roy Cuthrell. Basketball teams included: Mary Louise Gibbs, Sybil Swindell, Anna Mae Harris, Wayne Bell, Wayne Berry, Buddy Wheeler, Z. B. Midyette, and Roger Spencer.

Manteo, North Carolina was the spot for the class trip. Dorothy Dawson became Mrs. Alfred Gibbs, Evalena Williams became Mrs. Douglas Gray and Lois Ann Sanderson from Engelhard was admitted to the class. Billy Joe Cutrell moved to Florida. Class officers were: Roger Spencer, President; Billy Joe Cutrell, Vice President; Polly Berry, Secretary; Elizabeth Sparrow, Treasurer; and Gracie Carawan, Reporter.

Finally ending Sophomore days, twenty-eight students rose to jolly, competent Juniors in September 1954. The following class officers were elected: Gracie Carawan, President, Glenn Cutrell Vice President; Dale Sadler, Secretary; Frankie Baynor, Treasurer; and Roger Spencer, Reporter. Athletics was holding its own, while the Sophomore group remained to be victorious. Elizabeth Sparrow was added to the girls' team. Polly Berry was elected Chief Cheerleader. Highlights included ordering class rings; presenting the class play, "For Pete's Sake"; editing the school paper, the Reflector; attending the Carolina-Wake Forest football game at UNC, and last, but not least, the Junior-Senior trip to Washington, D. C. Elizabeth Sparrow became Mrs. Charlie Keech, and Evalena Gray moved to Norfolk, Virginia.

When the twenty-four seniors returned to school in August 1955, their school had been changed from Swan Quarter to West Hyde High School. Wayne Berry, Nelson Watson, enrolled at East Hyde High School at Engelhard while Jimmy Brickhouse was sent to Columbia. Three other members were separated from the class--Donald Credle, Walter Mann, and Dorothy Gibbs. Polly Berry was again elected Chief Cheerleader. Josephine Raburn became Mrs. Z. B. Midyette. Leslie Simmons married Audrey Fisher, and Lois Ann Sanderson became Mrs. John Carawan. Arthur Bell Gibbs became a member of the sophisticated Senior Class. Highlights included editing The Quarterian, receiving class rings, and presenting the class play, "A Feudin' Over Yonder." Class officers were: Glenn Cutrell, President; Alice Cuthrell, Vice President; Polly Berry, Secretary; Anna Mae Harris, Treasurer; and Dale Sadler, Reporter.

As these chronicles go to press, the Seniors are looking forward to their goal--graduation. After receiving their diplomas May 22, 1956, each individual will write his own history by his deeds.

LAST WILL AND TESTAMENT

We, the Senior Class of Nineteen Hundred and Fifty-six of West Hyde High School, in the County of Hyde, the State of North Carolina, being in perfect mental condition, and realizing our impending departure, do hereby make this, our last will and testament, rendering null and void, any former wills that may be made by us.

ARTICLE I

To the faculty, we leave our great appreciation for the knowledge they have given us.

ARTICLE II

To the Juniors, we leave our English grammar books in hope that they are able to master the conjugation of "to be."

ARTICLE III

To the Sophomores, we leave our dignity and feeling of importance.

ARTICLE IV

To the Freshmen, we leave all the good times we've had.

ARTICLE V

We make the following bequests to individuals:

- Item 1. Tapp Armstrong leaves her secret for a beautiful complexion to Billy Griffin and hopes it works successfully for him.
- Item 2. Frankie Baynor leaves her ability to act to Dewey Sawyer. That ability will be useful for the Junior and Senior plays, Dewey.
- Item 3. Polly Berry leaves her position as chief cheerleader to Sandra Swindell. Hope you have good co-operation, Sandra.
- Item 4. Gracie Carawan leaves her ability to understand English to Linda Gibbs. Maybe Mrs. Harris will benefit, too.
- Item 5. Claudia Carawan wills her shy ways to Betty Sears. Shyness is rather cute, Betty, try it.
- Item 6. Mary Louise Gibbs leaves her calmness during basketball games to Evelyn Wheeler. Someone must keep calm.
- Item 7. Anna Mae Harris wills her knowledge of basketball to Cottie Garrish. Some new talent could help the team.
- Item 8. Elizabeth Keech leaves her winning smile to Charlie Roberts to be used when he has his picture taken.
- Item 9. Dale Sadler leaves her neatness to Lynn Roberts hoping that in some way it will be useful.
- Item 10. Lois S. Carawan leaves her quietness to Christene Sadler. More of that could be used around school.
- Item 11. Sybil Swindell wills her curly hair to Margaret Credle. Now, Margaret you can have curls without effort.
- Item 12. Wayne Bell leaves his ability to make good grades on history to Merlin Carawan, hoping it will help him pass the course.
- Item 13. Josephine R. Midgett wills her ability to write poems to Cecelia Jennette. Lots of words will rhyme, Cecelia.
- Item 14. Roger Spencer wills his scholastic average to Bennett Emory. Just a little bit more studying and the Beta Club will have another boy, Bennett.
- Item 15. Buddy Wheeler leaves his "Small feet" to Tommy Bishop. "Small shoes" are harder to find though.
- Item 16. Z. B. Midgett leaves his good physic to Woodley Sadler. Use it to your best ability, Woodley.
- Item 17. Edward Roy Cuthrell leaves his wit to Nancy Stotesbury. He doesn't want it to be dull after he graduates.
- Item 18. Arthur Bell Gibbs wills his ability to tell a joke with a straight face to Glenn Moon-ey. That will make your jokes more effective, Glenn.
- Item 19. Glenn Cutrell leaves his ability to type fast to Bobby O'Neal. It just takes practice, Bobby.
- Item 20. Leslie Simmons leaves his "way with the girls" to Edward Pegram. He doesn't need it any more.
- Item 21. Junior Harris wills his artistic ability to J. P. O'Neal. Someone will be needed to work on the school paper and annual.
- Item 22. Alice Cuthrell wills her good sportsmanship to Rena Sparrow. Most of us could use good sportsmanship.
- Item 23. Ruth O'Neal wills her weakness to blush to Betty Simmons. Use it Betty, it might be becoming.

We hereby appoint Mrs. Frostie T. Lupton, our class advisor, as sole executer of this, our last will and testament.

In witness whereof, we the Senior Class of 1956 do set seal on this, the twenty-second day of May, in the year of our Lord, Nineteen Hundred and Fifty-six.

Testator: Roger Allen Spencer

CLASS PROPHECY

In 1956 the Senior Class stepped from the last rung of the school ladder and entered on another ladder of life's ambition. It is now the night of the class reunion in 1966. As they all sat around having a jolly time, each one told where he was on the ladder of his ambition and what he had been doing since graduation in 1956.

Polly Berry's greatest desire has come true and she is head nurse at Duke Hospital, Durham, North Carolina. She always was competent.

Alice Cuthrell was there with her usual smile. Her hair looked very chic in the latest French style, but it has to be as she is a top hair designer at the Waldorf in New York.

The world's champion typist was with them, too. Mary Louise Gibbs has set a new record of 145 words a minute. She is traveling around the country demonstrating the Royal Electric Typewriter.

Senorita Armstrong and Lois Ann Carawan were very happy. They had both married and had new modern homes in Hyde County. They told of the happenings at home.

The most fashionable lady present was Anna Mae Harris. As dress designer for Marilyn Monroe, she has kept up with the latest styles.

The Notre Dame football team has been undefeated for the past five years, but they should be with Edward Roy Cuthrell as their coach.

Zeke and Josephine Raburn Midgett are living at Cherry Point, North Carolina. Zeke is a lieutenant in the Marine Corps and Josephine is employed as a personnel worker at the base.

Mechanical Engineering has claimed two of the '56 graduates. Arthur Bell Gibbs and Wayne Bell are working in the Diesel Engine Plant in Chicago.

Since graduation, Gracie Carawan has taken an accounting course and is a CPA. She is employed as a state auditor now.

Two late arrivers came in wearing Yankee suits. The famous players were Glenn Cutrell and "Buddy" Wheeler.

As an architect, Junior Harris' artistic ability has proven useful. He has just finished The Octagon Building for the President.

Leslie Simmons has been most successful with his dairy. It is now the largest in the United States. Leslie developed the milk material everyone is using for sheer summer dresses.

One of their most ambitious girls, Elizabeth Sparrow Keech, has traveled all over the world with her Air Force husband doing secretarial work wherever she was. Now she knows ten different languages.

Roger Allen Spencer came back to Hyde County after receiving his agricultural degree from State College. He has been very successful with his farm, one of the largest in the county, and has shared his knowledge to help the other farmers.

Claudia Carawan was still courteous as she says "number please," in her position as a telephone operator. This is just a part-time job for her as she is an industrious house wife living in Washington, North Carolina.

In her very modest way, Ruth O'Neal informed them she was giving a piano concert in New York next month. She did not waste her talent--Good luck, Ruth.

Dale was employed by the American Air Lines in Washington, D. C. She worked at any job they gave her, secretary, bookkeeper, or hostess. She enjoys the variety of her work. She was always good at any job.

Frankie Baynor, home economics teacher at East Carolina College, drove down with Sybil Swindell who is head of the history department there. The College President couldn't replace these two.

The reunion was almost over when Mrs. Frostie Lupton arrived. She is busy with her family now and doesn't have much free time. But her arrival made the reunion complete and she was so happy to see everyone and to know her class had been so successful.

*Billy--
 I have enjoyed playing baseball and basketball ~~with~~ some since I have been in high school that I had to write in this baseball diamond. I'll be thinking about you cheering for basketball next year. Maybe I'll be at State College next year. I have enjoyed taking agriculture with you and also being in the Beta Club with you. May you have the best of luck in what ever you choose to do.
 God bless you always,

Bill,
 I have enjoyed going to school with you these last few years and I hope that year Ballance + Mr. Benny will make up and let me finish here. We have had

some good times and some bad times. I believe that after the first year we have just had good times. I will tell the truth and tell you that I don't think too much of your very first year, but after I got to know you better, I think you are a mighty fine boy. With your good mind, brain, and actions, and also your good personality, you will go far in this world. You should do it so try your best and make proud of you. I will miss you in class and you are a swell guy and as true friend and always keep up the good work and do your best.

Now that it is about time to say good-bye to you and the rest of my high school friends I find it hard to say good-bye. I never really felt that I should. You're one of those friends I can't ever forget. It has been a real pleasure knowing you throughout high school. I admire your ability to stand up for what is right and your faith in God. May you forever keep that priceless quality. I feel sure that you will make a wonderful minister and I'm looking forward to being in your congregation someday.

A Friend

"PA"

Dearest you,

What can I write about to express the joy and pleasure I've had in knowing you. If it will be in the future as the words in the song "Moments to Remember" are, we will have a pile of them!

I hope someday that you will fulfill your dreams and hopes of becoming a minister. I know you will be "great" in one sense of the word and maybe in more.

We have had many a good time together in the past (we including Myla, Bob, you + myself.) If you know, if a movie was ever made of our dating days, it might be quite comical but sad in parts. I'll never forget our discussions on "love", "marriage", "religion" etc, I think they were quite helpful, don't you? Well, anyway they didn't do any harm.

I hope a whole "passel" of us can go to camp this summer. You, Lois, and Sandra have made it sound like so much fun.

It really has been wonderful going on dates and ^(or trips) excursions with you this year, and Bob and Myla are "real cool" double-daters.

I thank you for the understanding you've had, and also all the advice you've given me. I'll never forget.

I'll see you in next year's annual.
"Maybe"

"Au revoir"
Je te aimerai toujours
Patricia
H

Bill,

These three years at S. & H. S have been the best times of my life and certainly you have made them enjoyable.

Remember the wonderful times that we have had at your house in the summer, going places & doing things that make a summer complete.

If I have to go to that "dear" Englehard next year I will sure miss you (my brothers). Just think there won't be anybody for me to tell my problems and silly ideals to.

I thank you for the many good times that you have made possible for Bobby and I to have. The many shows and rides on Sunday evening will always be remembered.

In the future I wish you all the luck in the world. When you become a preacher and when you get the someone you love so much.

I will never forget you and hope that you will always remember me, although I have been trying at times with ^{my} ~~my~~ ~~of~~ ways.

Love,
a friend Always,
Myla

Bill,

It makes me sad to know that is the last of your Annuals I'll ever write in. Almost as sad as I was that night at Sladesville.

When we were down in the lower grades and I didn't like you, I never thought we'd have the good times together we've had.

Cheerleading would not have been nearly as enjoyable as it has been if it hadn't been for you. You gave me and all the other cheerleaders your full co-operation. I hope you're a cheerleader next year, because you're such a good one. You'd make an excellent Chief I'm sure. Maybe I'll come back to see you cheer in a game. I'm sure I'd automatically jump up and run on the floor at all the quarters and halves and yell what can we do you.

I'm looking forward (except missing you) to the Senior-Sophomore Party. I'm sure that it will be a very nice one and that we'll enjoy it lots.

Bill, I think you'll make an excellent preacher. May your life be all you hope it to be and may you and your "special someone" always be very happy.

I'll always remember the weeks and we've spent with you. I've never laughed quite so much as I did when you hit your toe. I'm still not sorry you acted "silly" I know there are the nights we ate supper together too.

Bill, I'll never forget you, Lucy, and Johnny.
I'll remember everything.
