### RELIGIOUS LITERATURE

The Lord says, "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee." Knowledge is the true biblical approach to the kingdom of Christ, but

misdirected and misinterpreted knowledge leads multitudes away from the kingdom.

The tragedy of tragedies among our churches today is the prevalence of religious illiteracy. What per cent of our church members "search the scriptures daily" in order to find out the great truths therein taught? What are the pastors of the churches in our association trying to do to increase that per cent?

The Bible is the Word of God. It is the Book of books, and is the foundation of all religious literature. It supplies us with a rich treasure of the choicest gems of human genius, wisdom and experience. It commences with the creation, and ends with the final glorification, after describing all the intervening stages in the revelation of God and the spiritual development of man. It rises to the highest heights and descends to the lowest depths of humanity. It is suited to every class of society, and can be read with the same interest and profit by all.

Do a majority of the members of our churches realize their individual responsibility in the matter of endeavoring to obtain all the information possible in regard to our Baptist doctrine and the Baptist program for the evangelization of all the people of all the world? We have Bibles and other religious books, periodicals, missionary journals and religious papers from which, if read carefully and studied prayerfully, one may develop a fine spiritual thinking and receive pure religious instruction.

Within our own state are Charity and Children, published at Thomasville and giving the news from our Orphanage, and the Biblical Recorder, published at Raleigh and promoting the cooperative program and carrying the news of the churches and conventions.

On January 1, 1939, the Baptist State Convention assumed ownership of the Biblical Recorder. For more than a hundred years the Recorder has sought to advance every Baptist cause and institution. The remarkable progress of Baptist growth and work in North Carolina is due in no small measure to the fact that Baptist people have been informed through the columns of the Recorder. Under Convention ownership this will continue, and possibly to a greater degree.

There are large numbers of families in the churches of our association who never see the Recorder as against a very few who do. Surely, if we be missionary Baptists, we need to change this situation. This, however, can be done only by the closest cooperation between the churches, the association and the Convention. We earnestly suggest that this association elect an associational Recorder representative to cooperate with the office in Raleigh in securing the best man or woman in each of our churches as Recorder representative. In turn, this Recorder representative will undertake, along

with the pastor, to build up a Recorder club in the church.

In the meantime, representatives of the Convention assure us that every effort will be made to improve the quality of the Recorder to the end that the cause of Christ may be better served and that the challenge of every Baptist cause and institution shall be presented.

Respectfully submitted,  
T. C. Henderson

8. Rev. J. K. Henderson read the report on Hospitals. Dr. Smith Hagaman, President of the Baptist Hospital at Winston-Salem discussed the report. After discussion the report was adopted.

#### BAPTIST HOSPITAL REPORT

The Baptist Denomination owns and operates 20 hospitals in 14 Southern States. These have a total bed capacity of 3,000. About 100,000 patients were treated in these last year.

Our own Baptist Hospital, located in Winston-Salem, received its first patients May 28, 1923. Since that date 44,635 patients have been treated (July 14, 1939). A little more than 4,000 were treated last year. This number will not be increased this year as we have gone the limit. A little more than one-third of these were service patients, that is, they paid little or nothing. About 90 percent of these came from outside Winston-Salem.

It is always interesting to note the large number of mothers who have families of children at home. More than 1,000 of these last year were blessed to return to their more than 3,000 children.

The hospital treated last year about 100 preachers, missionaries and ministerial students. Almost all of these were free service.

The hospital with its fine staff of 72 doctors and four internes rendered during last year \$196,177.00 of free service. We have 42 specialists on our free service staff.

The hospital has a staff of 82 nurses—51 are students in training. The Nurses Training School can accept only 16 in its September Class—these have already been selected from a little more than 500 applicants.

It is interesting to note that these patients come from almost every county in the state. A fair idea can be obtained any day by a check up of any of the large wards. A few days ago it was demonstrated that the seven patients in a ward were an average of 102 miles from home.

It is little less than a tragedy that during the past year the hospital has been compelled to turn away more than 2,000 patients

for the lack of room. During the year, it is estimated that 1,000 patients in Winston-Salem, who could pay their bills, were turned away in order that the hospital might take those who could not pay a hospital bill.

Plans are going forward to immediately add 100 more bed space to the hospital, giving the hospital a bed capacity of 212. This will enable the hospital to treat 8,000 patients each year. This ought not to be a difficult task for a denomination comprising a membership of almost a half million—one-half the entire membership of all denominations of our state. For the expense of caring for these multitudes of sick, who cannot pay, we must look largely to the Mother's Day offering and free donations of the hospital linen by the W. M. U. and other church organizations.

In consideration of so much free service rendered to people who are unable to pay for their treatment, it seems that every church should supplement the Mothers Day Offering with a free-will offering every time one of its members, or one in the community, receives free treatment. And we wish to recommend that the churches of this Association form this good habit.

Respectfully submitted  
J. K. Henderson

9. Rev. H. L. Phillips, taking the place for Rev. J. W. Price, Jr., preached the annual sermon with subject, "Financing the Church in a Successful Way" from Malachi 3:10.

#### Wednesday P. M.

10. The Association sang "Standing on the Promises." Rev. and Mrs. Sherman Patterson sang a special song, "Up-to-date Religion" and Rev. Patterson led prayer.

11. Hubert Batson presented charts showing condition of churches.

12. Report of Sunday Schools was read by J. W. Glazener and discussed by Mrs. Irene Dixon, Vacation Bible School worker in the Association. After discussion the report was adopted.

#### REPORT OF SUNDAY SCHOOL

Procrastination we are told is the thief of time, and I am afraid that several of our writers on reports and others on the program do not realize the importance of the work and wait until the last minute, and have twelve months notice as I have had. I

wish I could have visited all the Sunday Schools in the county the past year which would help any one to write on this subject, but trying to serve our church, Mount Moriah, Calvert, as superintendent of Sunday School is the excuse for the above statement.

When we think of Sunday School teaching in our churches, we fully realize that no auxiliary of the church is doing more for the upbuilding of the church than the S. S. study of the Bible, trying to enlist the young and old to come to church and study God's Precious Book and other helpful literature. The world's greatest teacher, Jesus Christ, placed teaching the gospel next to preaching the gospel. He said, "Go into all the world and preach—teaching them to observe" In obedience to His command the churches maintain the Bible teaching agency, the Sunday School. If we are to be Christian Educationalists we must be more active in enlisting the prospects in our Sunday Schools.

Our Associational Sunday School work was organized on a basis with a view to helping the local churches and Sunday School, the set-up is good if we'll only work it. Mr. Claxton Henderson, our Associational Supt. for the past two years, has done the best he could in trying to carry out the line of work as outlined by the Sunday School Board. He has held monthly meetings with the different churches, but several of our S. S. were not represented at all in any of the meetings. It is hard for any leader to carry on the great work without the cooperation of the different churches. A few of our Sunday School Superintendents and teachers of our county attend the Statewide S. S. conferences and district meetings, but the larger majority do not. How helpful and inspiring it would be if more of our people in the county could hear our Baptist Sunday School Board leaders, such as Bros. Barnett, Ingram, Morgan, Phillips, Williams and others who have made a great study of Sunday School work, and not only made a study of the work, but going out in the different fields of labor and putting what they have learned across, trying to carry out the motto of The Sunday School Board, "Every Sunday School should grow." This title to a song written by the Board is simply fine, and I wish all our Sunday Schools in the county could sing this song and leave out the word should and insert IS in its place in capital letters. I know there has been some fine work done in the county this year, which I am glad to mention.

Six churches were represented in the central study course, held at Brevard Baptist Church in May and the following churches were represented; Brevard, Pisgah Forest, Little River, Carrs Hill, Mt. Moriah, Calvert and Mt. Moriah, Cherryfield. Around forty awards were given. In addition to the study course held at Brevard, Pisgah Forest church held a study course and twelve awards were given. Bros. Elliott and Underwood and other church workers

did all they could to make these meetings inspiring and helpful in many ways.

Miss Irene Dixon has been working in the county during July and will continue during August in Daily Vacation Bible School work. Miss Dixon has done splendid work, and around nine churches will be reached when the work is completed. This work was made possible by the help of the State Sunday School Department.

Two Mission Sunday Schools have been organized the past year, one at East Fork, and the other one at Botha, between Rosman and Quebec. Zion Baptist Church is due the credit for helping organize these two schools. A. M. Paxton is Supt. of East York, and A. P. Bell of Botha. Now this is fine work for Zion Baptist Church to send leaders out into the field to help other places enjoy having a S. S. No doubt there are other fields that are ripe to harvest in other parts of the county, if they were only looked after. What a wonderful opportunity we have today to work for the Master who said, "Say, not ye, there are yet four months, and then cometh harvest, behold, I say unto you, Lift up your eyes, and look on the fields: For they are white already to harvest."

Respectfully submitted,  
J. W. Glazener

13. J. M. Hayes discussed Meredith College.

14. Hubert Batson read report on B. T. U.

Charles Allen spoke on "Need of Training in Christian Living" B. T. U. Report was adopted.

#### REPORT OF BAPTIST TRAINING UNIONS

We now have in the Transylvania Baptist association five hundred and thirty three (533) enrolled in Baptist Training Union work. There are four (4) B. A. U.'s with thirty nine (39) members, twelve (12) Senior unions with two hundred and fourteen (214) members, nine (9) Intermediate unions with forty nine (49) members, eight (8) Junior unions with one hundred and three (103) members, and three (3) Story Hours with twenty eight (28) members.

May we get the vision of the GREAT TEACHER and train our people to be doers of the Word.

I believe that it is only through training that our people will get a vision of the GREAT world program that is before us. May we train our people to be Loyal To Christ.

Respectfully submitted,  
Hubert Batson

15. Mrs. M. H. Holliday read report on Cooperative pro-

gram. Rev. J. C. Pipes, district missionary, introduced Rev. M. O. Alexander, district Coworker in Missions, who spoke on the Baptist Cooperative Program. After discussion the report was adopted.

#### BAPTIST COOPERATIVE PROGRAM

The greatest single task of the Southern Baptist Convention is the work in the Cooperative Program. Indeed the Cooperative Program is a combination of seven great kingdom tasks.

Let us notice some reasons why the Cooperative Program is a wise method of carrying on our work. It is Cooperative. The word cooperate means the "together-ness" of the project. Only a small number of churches in our association are giving to the Cooperative Program. We are either very indifferent about it, or do not know about the program.

It is the plan whereby all Southern Baptists have an opportunity to support all the causes in their work. According to this plan all causes cooperate and all loyal Baptists cooperate. The money is collected in a lump sum and is divided according to the needs of the various causes we foster. Surely there could not be a more sensible and more business-like way of doing the Lord's work.

The Cooperative Plan is comprehensive. It takes in all the benevolent, educational and missionary causes of Southern Baptists. Gone are the days when it was necessary for a representative of each cause to present claim of the cause to the people, for now we have a voice to speak for them all.

The Cooperative Program is fair to the causes and to the people. If its policies are properly and completely followed, each cause gets a fair proportion of the funds. According to this plan it is impossible for one cause to prosper at the expense of another which may be just as important and just as needy.

So as we place our Cooperative Program dollar in the contribution plate, we can say:

Go gifts of mine  
To feed the Orphans  
To dry the old ministers' tears,  
To care for sick and dying ones  
To provide training for youthful years:  
To give the gospel to the lost on state, home, and foreign fields.  
Go work for me speak for me,  
Multiply my labors and my love  
Go labor for me with God in  
All Kingdom tasks.

Respectfully submitted,  
Mrs. M. H. Holliday

16. Rev. W. H. Nicholson, Rev. M. L. Lewis, Rev. J. A. Manley and Mrs. M. H. Holliday as committee on investigation advised in a report to accept Selica church as a member of the Association. The report was adopted.

17. Association adjourned led in prayer by Rev. M. L. Lewis.

#### Thursday A. M., August 10

18. Association sang "Leaning on the Everlasting Arms." Rev. Lawrence Erwin conducted devotional.

19. The Moderator recognized and introduced visitors. Visitors' names are printed on first pages of this Minute.

20. Rev. J. C. Pipes spoke on the Aged Ministers' Retirement Plan.

21. E. Carl Allison read the report on Orphanage. John Arch McMillan, representing the Orphanage at Thomasville, brought greetings from the orphans. The report on Orphanage was adopted.

#### REPORT ON ORPHANAGE

In our efforts to live the pure and undefiled religion most of our active churches have adopted a plan of giving a special collection one Sunday a month as well as a liberal Thanksgiving offering to the Baptist Orphanage at Thomasville. We can never feel the pride we should in our help for the Orphans until every church in the Association adopts the once-a-month and Thanksgiving plans. Number of cans filled for the Orphanage last year was 72 dozen. We have on hand now to be filled 118 dozen.

#### REPORT WOMAN'S MISSIONARY UNION

"The love of Christ Constrains us.

The first half century of organized Woman's Missionary Union has now become history. The year of jubilee has passed; a great year it has been; great in purpose and plans, great in effort and endeavor, great in achievement.

Our jubilee was designed to call our women back to God. Through-

out the year the emphasis was laid on prayer and rededication. As we trace the history of our Union, we recognize the leadership of God through all difficulties. His guidance in all plans and His power in all accomplishments. Let us continue this close fellowship.

"The love of Christ constraineth us." This watch word seeks to find place in our hearts and life purposes as we enter the beginning of a new half century in the work of our Union.

We are grateful to God for giving us a part in his kingdom work this associational year. Our women in this Association made new goals in organizations, membership, mission study, and gifts, and made gains in membership of the Hundred Thousand Club. We made seven points of the standard of excellence. We were made happy, since we helped to make North Carolina a victory State. Our gifts for the year were \$761.79, the largest in a number of years.

The call of the hour in this association is enlistment. We the, mothers are failing to foster our young people's work as we build. They are ready to serve. What will be our answer?

In eight of our twenty seven churches we have twenty two organizations. Nineteen of our churches do not have organized work of any kind.

One of the outstanding events of the year was our meeting in Brevard, May 30. Mrs. R. K. Redwine was present and gave us a very helpful and inspiring message.

We desire the prayers and cooperation of all the pastors in the Association in promoting this great movement of the Woman's Missionary Union.

Respectfully submitted  
Mrs. M. C. Shipman

#### Report on Temperance

Public enemy number one of the nation is alcohol. Why? Because of the wreck and ruin it leaves in its wake. In dollars and cents it is costing our country far more than all that is being spent for maintaining all the religious and educational institutions of our country. In 90 percent of all the cases that come before our criminal courts, liquor figures in practically every case.

More than 75 percent of the accidents of our highways are caused by drivers who are intoxicated. The majority of the broken homes in our country have resulted from drinking, but the greatest cost is destruction of character among our boys and girls. Is it not high time that we who profess the love of God and his kingdom redouble our efforts in our fight against liquor?

How can we do this? 1st: Through our educational program. We must train and influence more of our people to abstain from use of liquor. 2nd: To build a sentiment sufficiently strong that dries will be elected to our General Assembly and that dries may also be elected as sheriffs, judges, and other law enforcing officers. We must by the use of the ballot elect men to our state legislature who will give N. C. a right to vote out the wine, beer, and liquor stores in order that the horrible conditions they are causing may be eliminated from our state.

This will necessarily have to be carried forward in our homes, our schools, and our churches. May God help us to have convictions and stand on them and never stop our fight against liquor, man's greatest enemy.

26. Miss Martha Kate Moore presented report on Christian Education. Dr. O. T. Binkley of Wake Forest College, discussed religious education. Report was adopted after discussion.

#### REPORT ON CHRISTIAN EDUCATION

Our duty, as Christians, should be to advance in every way in our power, Christian Education. The pressing need for wide spread Christian education in our national life is becoming increasingly apparent. Only when an intelligent application of Christ's teachings permeates every phase of our existence can the present chaos be righted. We believe that this group, however, realizes how much Christ is needed in our social and economic life, in our national government and in our international relations so it is not necessary to argue that point.

President Wilson once said, "Scholarship has never, so far as

I can recall, been associated with any religion, except the religion of Jesus Christ." There is something in the Christian experience that inspires the soul to a higher idealism and challenges the intellect to reach for the best. Of course we are grateful for our great state universities supported by taxation, also for our higher endowed private institutions, but I am sure that we all have an ever increasing conviction that education by the state is inadequate to meet man's deepest needs. The state can train the mind and body but should there not be provision made for more than that? Man is a soul and as we have so often heard, "The soul of culture is the culture of the soul."

Because of our Baptist doctrines and beliefs, the late Dr. E. Y. Mullins stated, "Baptists in a very special sense are under obligation to foster Christian education." We not only provide training for our youth in Christian Colleges, but the Baptist Training Union of the Southern Baptist Convention has in it the largest and perhaps the most aggressive group of young people to be found anywhere. We furnish highly trained leadership in this organization purely in the interest of keeping Christian ideals and culture apace with educational development.

It should be a joy to us to make a renewed effort to support in every possible way our Christian organizations and institutions.

Martha Kate Moore
