

Johnson Family Cemetery

The cemetery is located "about 2 miles E of Johnstown on Jasper Richardson Trail, on property of Bladen Lakes State Forest". The cemetery is adjacent to the Joel Johnson (1755-1832) cemetery. Directions are: Coming from Elizabethtown, travel north on Hwy 242 towards Ammon. Turn right on Johnstown Road. Turn left on Jasper Richardson Trail (dirt road). About halfway down this road, you will see a small road going into the woods on your left. Follow this road and you will see the cemetery on your right. It is at least 1/10th mile into the woods.

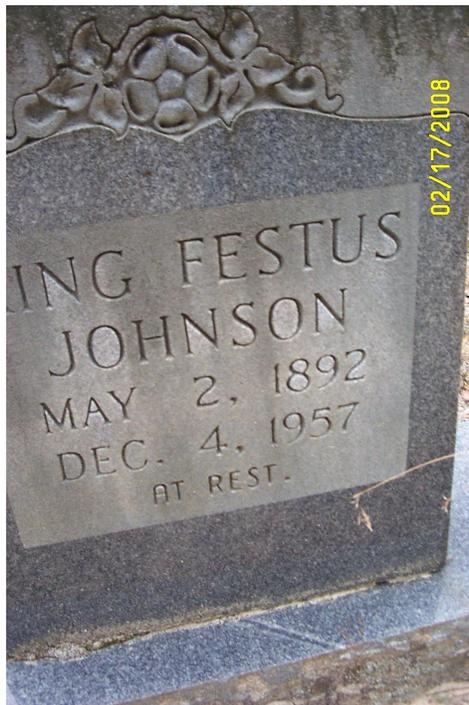

Those buried in this cemetery are the descendants of slaves owned by Joel Johnson and his sons.
