I received no wound in service but owing to feebleness incident to old age I can not earn a living, and the income from my wife's property is not sufficient to support me. My wife's ~~property~~ property is listed for taxation at 100 but it is low, and ~~the~~ the income from it does not support us.

He further states that he is, and has been for twelve months immediately preceding this Application for Pension, a bona fide resident of North Carolina; that he holds no office under the United States, or under any State or County, for which he is receiving the sum of three hundred dollars as fees or as salary annually; that he is not worth in his own right, or the right of his wife, property at its assessed value for taxation to the amount of five hundred dollars (\$500), nor has he disposed of property of such value by gift or voluntary conveyance since the 11th of March, 1885, and that he is not receiving any aid from the State of North Carolina or under any other statute providing for the relief of the maimed and blind soldiers of the State.
