# NEWS OF LEWIS WARRICK DESCENDANTS (4th Son of Job Warrick, Sr.)

By: James Howard Warrick, Sr., 3154 Holloway Road, Falls Church, Va 22042

James H. Warrick, Sr.  
Born 5 February 1915

I, James Howard Warrick, Sr. am the great great grandson of Job Sr. and Nancy Warrick. My great grandfather Lewis b 10 Apr 1828 d 26 May 1905, fourth child of Job and Nancy, married Mary Liser b 1831 d 14 Oct 1884, in 1857 in Pike County, Alabama. They had three sons, Benjamin b 14 Aug 1858 d 10 Feb 1915, Wiley b 26 Sep 1860 d 1 Mar 1927, and Sidney b 10 Apr 1866 d 21 Apr 1938. All three sons were born in Pike County, Alabama. Wiley and Sidney later moved to Houston County, AL, near Dothan.

Benjamin never married. In 1883 it was alleged that he killed a man named Lee at Brundidge in Pike County, AL where he lived. He was tried, convicted and sentenced to life imprisonment. Shortly after the trial he escaped from the Pike County jail and went to North Carolina where upon his death he was buried in the Falling Creek Methodist Church Cemetery, Wayne County, NC. It was said that public opinion was strongly in favor of Benjamin and one of the largest petitions for pardon ever gotten up in Pike County, a petition signed by the presiding judge, solicitor and jury were ready for presentation to the governor, but Benjamin was not then in the custody of the State, hence a pardon could not be granted. It was said that there probably would not have been a governor of the State who would not have pardoned Benjamin, if he had only returned to the State and surrendered to the authorities. This he would never consent to do, preferring to remain in North Carolina, where he was a prosperous citizen. No effort was ever made by the Alabama authorities to bring him back. It was said and it was the universal belief that he was justifiable in killing the man, Lee.

My grandfather Wiley, the second son of Lewis and Mary Liser, married Laura Pierce b 20 Sep 1865 d 28 Jun 1952, about 1886 or 1887 in Pike County, AL. They had six children, three sons, Luther b 18 Aug 1888 d 18 Mar 1933, Pat b 3 Jul 1890 d 16 Mar 1937, Alto b 18 Apr 1892 (still living) and three daughters, Vera b 20 Mar 1894 (still living), Eula Mae b 21 Nov. 1897 (still living), and Julia b 21 Oct 1902 d Apr 1976.

My father, Pat, the second son of Wiley and Laura Pierce, married my mother, Pearl Eddins b 8 Aug 1892 d 8 May 1981, in Houston County, AL on 17 May 1913. They had four children, one son (myself) James Howard Warrick b 5 Feb 1915, and three daughters, Helen b 5 Jan 1917, Mildred b 15 Jan 1920, and Annette b 31 Jan 1927.

Pat Warrick  
b 3 July 1890 d 16 March 1937

My wife, Isabelle Burt, b 13 Jun 1914 d 12 May 1966, and I were married 20 Jul 1940 in Nashville, TN. She gave me two sons, James Howard, Jr. b 2 Sep 1943 in Nashville, TN and Thomas Patrick b 24 Dec 1944 in Camp Lejeune, NC. I served in the United States Marine Corps from 28 May 1934 to 1 Oct. 1956 and retired as a Warrant Officer. For the majority of my time in the Marines I was an auditor. After that I was employed by the Marine Corps Post Exchange System for 20 years as an accountant and retired again in 1976 as Assistant Director of the Marine Corps Post Exchange System. I am a Mason.

My oldest son, James Howard, Jr. is a Certified Public Accountant. He graduated from J.E.B. Stuart High School, Falls Church, VA with honors, then went to Strayer Junior College in Washington, D.C. for two years and graduated with honors. When he took his CPA exam, he was in the top 14 in the United States in achievement on the exam. He is a senior partner in a CPA firm in Washington,

Wiley and Laura Pierce Warrick

Laura b 20 Sep 1865 d 28 Jun 1952

D.C. His marriage to Genevieve Bruce on 29 Jun 1963 in Falls Church, VA ended in divorce. However, they have two sons, Jeffrey Bruce Warrick b 25 Aug 1965 and Terry James Warrick b 16 June 1967. His son, Jeffrey Bruce, graduated from Falls Church High School on 2 Jun 1983 with honors. He is a member of the National Honor Society and is going to Old Dominion University in the fall. My oldest son, James Howard, Jr. married Shirley Ann Alberti in Pittsburgh, PA on 1 Sep 1974 and they have one son, Joshua, b 15 Sep 1978.

My youngest son, Thomas Patrick, married Holly Williams on 5 Jun 1966. Their two children are Thomas Patrick, Jr. b 19 Jan 1969 and Patricia Ann, b 7 May 1971. This marriage ended in divorce, however, my son has custody of the two children and the three of them live with me. Thomas Patrick, Sr. is employed by Fairfax County, VA as an automotive mechanic.

My sister, Helen, never married. She is retired from Civil Service and now lives in Mesa, AZ. Helen worked as Editor at the Central Intelligence Agency. She is a member of the American Newspaper Women's Club and has been listed in Who's Who of American Women. My sister, Annette, was married for a short time but is now divorced. She is a retired registered nurse and also lives in Mesa, AZ. Annette attended the University of Alabama and George Washington University. My sister, Mildred, married Earl Edison Musgrove on 24 Dec. 1942. They have two children, Carol Ann, b 24 Sep 1946 and Roger Earl, b 15 Aug 1951. Carol's marriage ended in divorce, however, she has two sons, Alan Everhart, b 11 May 1967 and Jeffrey William Everhart, b 13 July 1971. They live in California. Roger married Susan Patricia Upp, on 22 Aug 1970 and they have two children: Bryant Edison, b 28 Apr 1979 and Elizabeth Dispeaux, b 2 Mar 1983. They live in California and both are school teachers. Mildred's husband, Earl, is a retired Army Major and they live in Mesa, AZ.

My great grandparents, Lewis and Mary Liser Warrick are buried in the Baptist Rest Primitive Baptist Church Cemetery just south of Brundidge, AL. My grandparents, Wiley and Laura Pierce Warrick are buried in the City Cemetery in Dothan, AL. My father, Pat Warrick, is also buried in the City Cemetery, Dothan, AL. My mother, Pearl Eddins Warrick, came to the Washington, D.C. area with my sisters during World War II and insisted on being buried here, so she is in Memorial Park, Falls Church, VA. My wife, Isabelle Burt Warrick, is buried in Arlington National Cemetery where I will also rest some day.

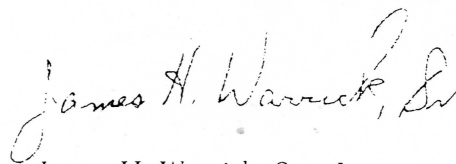

My great grandfather Lewis was a farmer as was my grandfather Wiley. My father, Pat, had various jobs, including serving as a City Policeman for three years, but at the time of his early death he was in the livestock business. He bought cattle and hogs out in the country and could guess within five pounds how much they weighed on the hoof. My father also managed my grandfather's farm for a number of years. He was born in Brundidge, AL and moved to Dothan, AL in childhood with his family. He was an active Mason and also was a member of the Woodmen of the World and was affiliated with the Beulah Baptist Church near Dothan, AL. All of the family were Baptist. However, my wife was Methodist so I became a Methodist. My sister, Helen, was secretary of the First Baptist Church in Dothan, AL, for several years before she went to Washington, D.C. to work in Civil Service.

My father's brother, Luther Warrick, married Oline Ingram (deceased). They had three children, Hazel, Luther, Jr. and James Edward. Uncle Luther had the Ford Motor Co. agency in Blakely, GA and was quite successful selling Model T and Model A Fords until his early death.

My father's brother, Alto, married Ruth George, b 29 Mar 1898 d 24 Oct 1977. They had one son, George, b 17 Apr 1921. Uncle Alto also lives in Blakely, GA. In his early days he was a locksmith and had the Dodge Auto agency for a while until he opened a retail store, which his son, George, now operates with his wife, Roanie and his son, Al.

My father's sister, Vera, married J. Robert Gwaltney (deceased) and they had three children, Frank, Mary Evelyn, and Francis. His sister, Eula Mae married Jasper R. McArthur (deceased). They had two daughters, Dorothy and Virginia (deceased). His sister, Julia, married C.P. Hicks (deceased). They had one adopted daughter, Thelma (deceased).

With the exception of a slipped disc in 1980, the only bit of news I have about myself is that I attended the 50th Reunion of my High School Class in Dothan, AL on May 13-14, 1983. We had 67 in our class when we graduated in 1933 during the Great Depression. At the reunion 36 classmates attended. At the big dinner, the night of the 14th, there were 63 people present, including two of our teachers. I gave each classmate and the teachers an address/telephone book imprinted on the cover "Dothan High School, 50th Class Reunion, 1933-1983, Dothan, Alabama." A photo of the old high school building was used as a guide to decorate a huge cake for the reunion. A United States flag, which was flown over the U.S. Capitol on March 29, 1983, was presented by one of the classmates to the County Commission Chairman. This flag will be flown over the Houston-Love Memorial Library, which is our old High School building. Because of the Great Depression, we couldn't afford anything such as a yearbook or photograph, but we did get our diplomas. Some of the classmates came from as far away as Nassau, Denver and Phoenix. Needless to say we all had a great time and plan to meet each year hereafter as long as we may live.

James H. Warrick, Sr. - June, 1983

Handwritten article found in the old bible of LEWIS WARRICK, 4th child of Job Warrick, Sr. and submitted by Dr. John Ira Bailey, Jr. of Mobile, Alabama.

## DEATH OF AN OLD SOLDIER

Last week we wrote, from memoranda given us, an account of the Death of Old Comrade Lewis Warrick, (generally known as "Pap") which had just occurred at the residence of his son near Dothan. But the article was lost after being given to the printers, and the notes were not preserved. So we are left to memory in saying that Comrade Warrick was born in North Carolina about 80 years ago. He lived in Henry and Pike Counties, in this state, for many years. A few years since he came to the home of a son near Dothan, and there he met the last enemy. Comrade Warrick was a member of the 39th Alabama Infantry in the Confederate Army, serving in Tennessee. As a soldier, he was widely known throughout his command for bravery, punctuality to duty, and a fatherly kindness which made the soldier life less hard for many a sick or wounded comrade. This latter quality gained for him the title of "Pap" and he bore it till his death. He had long been a Baptist, and died in that faith.

Farewell, old Comrade! The battle is still going on with some of us. But we will answer at roll call bye and bye.

Dear Mary & Woodley,

It was good to hear from you again. We think of you often and it would be nice to see you again. The door is always open to you to visit us whenever you can.

You really gave me a "big order" for this family newsletter, Woodley! I'm not sure I can tell you much you don't already know. Feel free to cut out anything that is not needed. When it comes right down to putting it in black and white, I know very little about my Grandpa and Grandma Warrick. Mother didn't know much about their backgrounds herself, and of course they were both dead long before I came on the scene.

Ezekial Warrick, 12th child of Job Warrick, Sr. and his wife Sallie, was born 19 November 1842 in Wayne Co., NC. He enlisted in the army on 14 November 1861 at Goldsboro, NC, was a private in Co. A, 27th N.C. Regiment, wounded at Bristol Station, Virginia and discharged 14 November 1863. Mother said he always walked with a limp (war wound) and used a cane. After the war he moved to Pike County, Alabama. There he married Caroline Elizabeth Tarver on 12 January 1873 at Troy, Alabama. He made his living by farming. He was known around Tarentum, Alabama where he lived as "Uncle Zeke" and one who could grow the best sweet potatoes around and they were always in demand.

Ezekial Warrick, his wife,  
Caroline and daughter  
Bernice made 1898

There were 9 children of Ezekial and Caroline Warrick: (1) Virginia born 13 Nov. 1874 died 1963. She never married. (8) Jesse born 9 November 1895 died 1962 married Nell Cogdill and had one daughter Carolyn Warrick. (9) Bernice born 8 March 1898 died 8 June 1980 married Alvin W. Gwaltney.

My mother, Bernice, was the 9th child of Ezekial and Caroline (Tarver) Warrick, who married Alvin W. Gwaltney. I really don't know the names nor number of all my first cousins but I can tell you about my own immediate family.

Alvin and Bernice (Warrick) Gwaltney had 6 children:

1. Marion Lewis Gwaltney born 3 January 1918 married Mary Creel and had 2 children: (1) Marion Lewis Gwaltney, Jr. married Diane White, children: Kendell Creel and Kathryn Elizabeth Gwaltney. (2) Kathy Creel Gwaltney married Lloyd Norman Pate.

Just some bits and pieces of family news — Lewis is still a federal judge, living at Prattville, Alabama which is near Montgomery. Byron retired from Solomon Motor Company this year and makes frequent trips to Jackson, Mississippi to see his first grandchild! Henry was named Optometrist of the Year in 1977 for the state of Alabama and still has his practice in Opp, Ala. James is still working for the BayLine Railroad. Ruth lives in Macon, Georgia where her husband, Joe, is Plant Manager for Huber Corporation which mines kaolin clay. Bill Betz is in his 31st year with Ohio Bell Telephone Company.

Our two are all grown up now and Bill and I will soon be by ourselves. Dale graduated from Kent State University in May 1982 with a degree in Industrial Technology. After a year of no success in the job field, he joined the Army last March. He just finished basic training at Ft. Wood, Mo. and as of June 2 is in Ft. Jackson, Columbia, S.C. for supply clerk schooling. He seems to like it pretty good and will eventually end up with the 82nd Airborne Division out of Fayetteville, North Carolina.

Ruthann graduated from Malone College May 1983 with a degree in Radiological Science and Allied Health. She works part-time as an X-ray technologist in a doctor's office and part-time selling clothes at Foxmoors. She is engaged to be married 1 October 1983 to John Essinger from Alliance, Ohio. They are both seeking full-time employment now. John is a computer-math major. They would like to move southeast so if you have any jobs available in your neck of the woods, do drop us a line!

Well, Mary & Woodley, I hope I have been of some help to you. As far as I know the oldest living relative I have is Nell Cogdill Warrick, wife of Jesse Warrick, deceased, and she lives in Boca Raton, Florida with her daughter Carolyn Douglas. Byron got to see her last fall when they came back up to Alabama to visit.

Will close for now.

Yours truly,  
Hazel

## DESCENDANTS OF MARY JANE WARRICK HUDSON (14th Child of Job Warrick)

### NEWS OF NATHAN JORALEMON FAMILY

By Dorothy Belle Jensen Joralemon

Mary Lossie Warrick, my mother, and Charles C. Jensen were married at the Court House of Wayne County, Goldsboro, N.C. on 20 November 1915. Marriage was witness by Daisy Grant, R. H. Edwards and J.S. Warrick. They lived in Maddock, North Dakota where 3 children were born. Later they sold out and came to Goldsboro where Charles tried operating a garage but found N.C. too hot for his blood. I, Dorothy Belle, was born a few months after they came north to New York in a Model T Ford with \$10.00 and with 12 tires tied around the car. I was born in Selkirk, New York. Lossie and Charles had 3 boys and 3 girls, all living. They are: Charles Aaron, Louis Kirby, Katherine Jane, Dorothy Belle, Sadie Irene and Floyd McIlwaine. Charles C. Jensen died 12 August 1965 and Lossie Warrick Jensen died 8 December 1980. They are buried side by side at the Elmwood Cemetery, Selkirk, New York.

Nathan F. Joralemon and I were married on 26 June 1943 in the Dutch Reformed Church of Selkirk, New York. We live in Albany County, 30 Van Buren Avenue, Ravena, New York 12143. My father's people are westerners and are of Danish descent. Mama, Lossie, as you all know is a native of Goldsboro, North Carolina and was the daughter of Louis Bryant Warrick and Sally Jane (Hudson) Warrick.

Nathan is a retired railroader of New York Central, Penn Central and Con Rail. His father and mine were both railroad men. During the war, Nathan was active in Civil Air Patrol and flew his own plane. He has been retired since 23 July 1976. We love to travel and enjoyed Easter 1982 in Hawaii. Nathan enjoys working on his Hawaiian Hut in our back yard, riding his Honda bike, Airstream camping in the hills, teaching Adult Ed Sign Language and skiing. I enjoy singing in our church choir, Sunday School work, quilting and still try to keep house. I retired as of January 3, 1983 after 20 years in RCS Sr. High School Library.

Nathan and I have a daughter and a son. Our oldest child, Carol Mary Joralemon, born 23 February 1944, married Stephen Piteherello on 12 June 1965. Carol Mary works for Prudential Insurance and is supervisor of her office in Scotia, New York. Steve has his own store called the Big "A" in Amsterdam, New York. They live in Rowlands Hollow Estates in Ballston Spar, New York 12020. Carol is active in Girl Scouts and Crystal is a Brownie. Our son, Paul Nathan Joralemon, born 21 August 1947 married Carol June Campbell on 18 December 1967. They have one son, Scott Paul Joralemon, born 14 June 1968. Paul spent 7 years in the U.S. Navy on nuclear submarines and later transferred to air craft carriers. He was in the computer radar guided missiles program and came out with the rank of 1st Class Petty Officer. He now works for Finn Service Computers. His wife, Carol June, is a private secretary for Farm Family Insurance and works with a word processor. Their son, Scott, is active in hockey in winter and baseball in the summer. The families gathered on Scott's birthday and watched him make a fantastic hit, making 2nd base and bringing in 2 runs. He is attending BC High School which is also the school I attended. Son, Paul Nathan and wife reside at 7 Wellington Road, Delmar, New York 12054, and they have space for a garden. They camp in Vermont on 2 lakes where Paul and Scott can enjoy good fishing for bass, pike and bull heads. You know you are in God's beautiful country when you go there!

Nathan and I are very blessed and hope to go to a Laity weekend retreat 10 miles out, off the coast of New Hampshire on Star Island, which is part of the Isle of Shoales. We are to preach the first Chapel Service on 19 August 1983. It is a candle lamp procession to the Chapel and conducted by the lights we all bring. The spiritual food and fellowship you receive on this special Island has you coming back again and again. We are taking our grandson, Scott, with us this year.

Some day, I pray, Nathan and I can come and enjoy our Warrick Family Reunion. God bless each and every one. ALOHA.

# WOODLEY AND MARY TOOK A TRIP

By Woodley Warrick

On September 16, 1983, we had a call from Milton Loraine Warrick of Dallas, Texas telling us of a very unfortunate incident in his life. In March 1980 he went to the hospital for a fairly common operation, to have his gall bladder removed. Strangely, the doctor gave him a shot which paralyzed him from head to foot. He was hospitalized, often near death, for 11 months. It was this call from a very warm and friendly relative that prompted our trip to Dallas, Texas. In addition to his illness, he had lost his wife, mother and father since his visit to our home.

We had met Milton when he visited us in Raleigh in 1976 while on a business trip to Mount Airy, North Carolina. His interest in visiting us was to learn if we knew of his great grandfather, Thomas Warrick, and where he might be buried. At that time we did not know. A little later on we did learn that Wiley Warrick, brother of our Job Warrick, Sr. and Josiah Warrick, 3rd child and son of our Job Warrick, Sr. were listed in Coosa County, Alabama (just north of Montgomery) in the 1850 Census. Wiley Warrick had a son named Thomas, Thomas had a son named Marcus, Marcus had a son named Anderson Marcus who was the father of Milton Warrick.

It was interesting the way Milton got our address. In 1973 while on a cross-country trip, Mary signed the visitor register at the Lyndon Johnson Library in Austin, Texas. A man nearby noticed the name Warrick and told her he knew of a Warrick couple in Waco, Texas who were elderly and with whom he visited and carried reading material from his church. He suggested that they might appreciate a visit or letter from a N.C. Warrick. Upon returning home, Mary wrote to the couple, A. M. Warrick and wife. About a year or more later their son, Milton, picked up the letter and called with questions relating to his Warrick ancestors.

Another affair that reinforced our desire to go to Dallas was an invitation to attend the John Bailey, Jr. wedding in Mobile, Alabama on March 5, 1983. And then we thought how nice it would be to visit C. W. Warrick, Jr. and family in Pascagoula, Mississippi where he is Director of the U.S. Customs Office.

We left on March 2, 1983 with only one definite date, we had to be in Mobile on Saturday, March 5th. We made it a leisurely trip, stopping in Coosa County and Elmore County, Alabama to search the Warrick line. We attended the very lovely wedding and reception, after which we had dinner at the home of John Bailey, Sr. and wife Jean Woodham Bailey. It was an enjoyable occasion with many of the Bailey relatives.

On March 6th, we left Mobile and stopped at a station near Pascagoula, called C. W. Warrick, Jr. (son of Margaret and Clarence Warrick, deceased of Smithfield) and asked that we visit their church with them as well as have Sunday lunch together. It turned our picture perfect with visiting his beautiful family, wife Romona, daughter Jane and son Jim.

That night we stayed in Baton Rouge, Louisiana and spent the next morning touring the 34 story Capitol building, built in 1932, and also the Baton Rouge downtown area.

On Tuesday, we visited Milton L. Warrick in Dallas. We found him improving slowly, being able to walk with a walker as his motor nerves have been paralyzed. He has two girls living in the home to assist him. In addition, he hires his sister, Sallie Warrick LaGrone, to work for him on weekends to purchase groceries, and to take him places, etc. Fortunately his business was very successful and he is able to have all the healthcare that can be useful.

Milton Warrick

We spent one night with Sallie, who was a gracious hostess, as was Milton, both being very solicitous. Sallie's husband was a successful building contractor who died two years ago after a long illness. Her son is also a very prominent building contractor after some years as a commercial pilot with Braniff.

The return trip was also leisurely, the food was great, and the Texas county side in Northeast Texas is beautiful, somewhat rolling with pasture land and not too many trees.

On our way traveling through Georgia, we went by Springville, Georgia where we had a short but very pleasant visit with Ellen House. Very convenient for us as she is employed at the Springville Post Office. Her husband, Stephen Warrick House, is the son of Margaret Warrick House, a descendant of Josiah Warrick, son of Job Warrick, Sr. Remember Ellen wrote a letter that was printed in Warrick Newsletter last year. We were disappointed at not meeting Stephen. He is an engineer with the Alabama Highway Department and was away when we visited.

We returned by way of Salisbury for a refreshing visit with Jan Snider, great grand-daughter of Clarissa Brown Warrick, wife #3 of our Job Warrick, Sr. She is young and energetic with a keen interest in the genealogy of the Browns.
