DESCENDANTS OF JOSIAH WARRICK FAMILY

5513 Brantford
Memphis, TN 38119
10 May 1989

Dear Warricks,

Starting this letter while I'm in Birmingham, AL, attending the funeral of Carol Warrick Batchelor. Do hope when I get back to Memphis to add a clipping and a photo of the three girls. As it turned out, which was best for my sister, Shirley, she didn't come - pluracy and alcoholism were the main reasons that got her in her feet, causing walking problems.

It is doing me some good to be out of town after a couple of late nights and rushing around trying to get some things done at the church. Feel like I'm doing good to write after a long day full of excitement and seeing people I had not seen in a while, yet coping with death.

Plus five weeks ago (Wednesday, after Easter), I had major surgery. Things had been building up inside and within a week the doctors had to operate. Found a couple of small benign tumors. Been doing good on recovery, and when not, I get threatened by a preacher/friend. Pleased with the doctors I had. Sounds like it's all bad, but I'm doing okay. I'm worn out at times but trying to obey. Not losing the ten pounds the doctor would like for me to lose.

Plan on going with with a church group, PALS, (Progress at a Leisurely Pace) senior citizens for the most part to Mobile, Alabama for a three day trip. And then in July a friend and I will be going on a Carnival Cruise to Nassau, San Juan, St. Thomas and Virgin Islands. Should be fun and exciting. It is free, won it in a drawing.

Memphis, 13th of May: Did get a good picture of the Batchelor girl trio. Need to get a couple of copies made. Do not want to delay getting this to you. Actual day of death of Carol was Monday night, May 8th. Hope you have a good Mother's day.

Nancy

(Editor's note: Nancy Warrick (Sarge) is daughter of Dr. William D. Warrick, deceased, of Birmingham, AL. He was a great grandson of Josiah Warrick, son of Job Warrick, Sr. The picture of the Batchelor girl trio never arrived.

DESCENDANTS OF LEWIS WARRICK FAMILY

James H. Warrick

Falls Church, VA 2042

Dear Mary and Woodley,

I assume that the reunion will be, as always, on the 4th Sunday in August. (August 27th this year) If nothing happens, I plan to attend with my son, Jim, Jr., his wife, Shirley and their son, Joshua, age 11. Jim Jr. has been wanting

to come for some time but just couldn't because of his business.

First we plan to go to Nashville, TN to see my sister-in-law who is 82. Then we will drive over the mountains and on to Selma and stay at the same motel. Stop by and we will follow you to the church.

I really don't have an article for the Newsletter except that my only granddaughter, Patricia Ann, 18, finished high school. She was in a class of 309 students and finished 42nd. She had a grade point average of 3.4690 and got a \$1200 Scholarship. She is going to George Mason University here in Fairfax County and live here at home. She is going to study biology. She received an Advanced Studies Diploma and also a gold star for Academic Excellence from the Governor of Virginia. She was in charge of the Dance and Drill Team and very popular with all the students.

Tommy, Jr. is still stationed at Fort Polk, LA, and is liked by all his supervisors. The Army wanted to send him to Germany but his Commanding General said "no". Tommy, Jr. is an intelligence Specialist. He came up to Patti's graduation and left right afterwards to go back and arrived in time to pick up his tuxedo and be best man in a wedding of a friend.

Please let me know if the Reunion is still scheduled. Jim, Jr. is looking forward to it. Hope both of you are o.k. and except for my eyes and bladder trouble, I am doing fairly well. We had planned to go to Dothan and Blakely but decided that would be too much trip for August.

Take care,
James

(Editor note: In a follow-up letter, 8 August 1989, James states Jim, Jr. had made the following change in arrangements: Fly to Nashville and from there fly to Raleigh, rent car and drive to Day's Inn in Selma, N.C. where he has made room reservations)

Dear Woodley and wife,

Was glad to get your letter. This leaves us not doing too well. Since you were here, lots of things have happened. Desford passed away 2 years ago; also Alice and her husband passed away 1 year ago last February. So that leaves Estelle who will be 86 years on the 8th of August and she is getting very feeble. Her mind is very bad. And Annie Mae is not doing too good.

And guess what? I had a cornea transplant two months ago and today I can see a little out of my eye. The doctor said it would take time and lots of patience. It sure has been a lot worse than I thought it would be. So, excuse this bad writing. Woodrow and I both have heart trouble. I have other troubles as well as he, but I am so thankful we can be up. He had a birthday on the 26th of April - 78 years old. I had one on the 27th of June and I am now 77. So I hope you both are o.k. Come see us again and thank you for writing us.

PRESENTATION OF AWARDS

On Sunday, 28 August 1988, Morris Warrick, President and Jimmy Faulk, Vice-president of the Warrick Family Reunion for the year 1988, presented an Award to Woodley C. and his wife, Mary W. Warrick, in the form of a beautiful Electric Wall Clock.

The clock, measuring ca 24" x 10", was made from a walnut tree grown and cut in Wayne County, North Carolina in the Grantham area near the old homeplace of Job Warrick, Sr. The clock is made in the shape of the state of North Carolina and has a professional finish. The Roman numerals and the hour, minute and second hands are of shiny brass finish. To the left of the face of the clock, inscribed on a metal plaque mounted at the left of the dial are these words: "To Woodley and Mary Warrick In Appreciation For Outstanding Service To Descendants of Job Warrick, Sr."

This clock was made by Morris Warrick of Goldsboro, N.C., the son of Jasper E. and Minnie (Grant) Warrick, the grandson of James W. and Mary (Wise) Warrick and the great grandson of Job and Sallie (Brown) Warrick, Sr. who migrated from Northampton County, N.C. to Wayne Co., N.C.

The Award was graciously accepted by Woodley and Mary Warrick. They responded the Award came as a great surprise and that they had enjoyed digging up the Job Warrick Family History and getting out the Newsletter for seven years. They also said they believed the Newsletter has brought the Warrick Descendants closer together.
